Work Experience/Projects

2024-MAY **Bharat Intern: Web-Development(Basics)**
I completed an internship at Bharat Intern, where I gained valuable experience in creating well-designed, responsive websites. During my time there, I also learned how to work with APIs. Additionally, I honed my skills in remote project management, ensuring timely completion.

2024-MAY **Open-Source Contributor at GSSOC-2024**
As a Frontend Developer, I am currently contributing at Open-Source plateform GirlScript Summer of Code(GSSOC-2024), an open-source initiative. My expertise in HTML, CSS, and JavaScript aids in project development, while also honing my abilities in Git commands, issue resolution, and collaboration with the open-source community.

Achievements/Certifications

MAR 2024 **AlgoUtsav Hackathon 2024**   **Participants**
The AlgoUtsav Hackathon, organized by NIT Rourkela, was a coding contest focused on data structures and algorithms. Participants, in teams of three, had three hours to solve ten problems. The team solving the most problems would win. This was my first hackathon, where I learned teamwork, handling pressure, and problem-solving under time constraints.

Extra Curricular Activities

FEB 2024 **Core Member, Volunteering**   **NITRUTSAV**
I have led a team of core members for the annual Literary Cultural Fest of the Institute, where my responsibilities were managing the event.

NOV 2023 **Core Member, Volunteering**   **Innovision**
I have been an integral part of Innovision, the exciting tech fest at your college. As a dedicated core team member, you skillfully manage events and handle various responsibilities related to this vibrant celebration of technology and innovation.

AUG 2021 **National Service Scheme**   **NSS**
Active participation in NSS cultivated strong leadership, teamwork, and community engagement skills.
